Teaching-Learning Process

The Department is engaged in Under-graduate and Post-graduate teaching and in guiding of research work. Bachelor of Commerce (B.Com) is the most exalted three year full time undergraduate programme in commerce. The course provides an extreme and rigorous base for teaching, research and administration. The course serves the needs of academics and prepares students for business and industry sector. The Alumni of this course are well placed in business, academics and administration in the country. In the year 2009, after being upgraded as Central University, CBCS System has been adopted by the University and this course is being changed second time after adopting CBCS System. The UGC has asked for introduction CBCS System in all the Central and State Universities and also proposed a model syllabus of CBCS System in undergraduate programme and it is being introduced in academic year 2016-17. Thus, in view of widening the scope and depth of the course and inclusion of model syllabus suggested by the UGC, change in overall structure of the course has been proposed. Further, the overall structure has been improved to provide an insight of new changes in commerce and interdisciplinary areas. The University constituted Board of Studies in Commerce to facilitate the course revision and to resolve other academic matters of the Department. The proposed changes in the structure and content of the syllabi has been discussed and approved in the Departmental Council before placing it in the meeting of the Board of Studies for their valuable inputs and suggestions for drafting the curriculum.
