

## **7. Institutional Values and Best Practices**

- Zero tolerance towards Ragging, No case of Ragging in the department is reported during the 2015 to 2020.
- Through essay & debate competitions students were given opportunity to express their views freely which helps in budding leadership qualities and also helps in personality development
- The students are also encouraged to participate in the moot court competition and court visits, so as to inculcate the professional skills and ethics to do justice with their academic excellence.
