Agenda	Agenda Title
ENVS/BoS/15Sep./2023/1	To consider and approve the eligibility for the admission in Master Programme (M. Sc.) in Environmental Sciences. B.Sc. degree or equivalent in any branch of basic or applied science under 10+2+3 or 10+2+4 pattern of education or B.E./B.Tech. /MBBS with a minimum of 50% marks or an equivalent GPA (also with a minimum of 50% aggregate or an equivalent GPA at the 10th and 10+2 levels) will be deemed eligible for admission to the M.Sc. program in Environmental Science.
BoS recommendations	The BoS deliberated the agenda at length and after due deliberations resolved to accept the proposed eligibility for the admission in Master Programme (M.Sc.) in Environmental Sciences.
ENVS/BoS/15Sep./2023/2	To consider and approve the proposed syllabus to be implemented from the session 2023-2025.
BoS recommendations	The BoS deliberated the agenda at length and after due deliberations resolved to accept the proposed Syllabus for Master Programme (M.Sc.) in Environmental Sciences with the following amendments: <i>Members recommended the inclusion of certain papers such as "Energy and Environment," "Environmental Biology," and "Fundamentals of Environmental Sciences" into the proposed syllabus. Furthermore, they also advocated the addition of certain topics related to biodiversity conservation, wildlife management, and ecosystem restoration in offered subjects. Additionally, it was suggested to adopt the UGC</i>

syllabus as a core reference and enhance the contents of the listed subjects accordingly.

The meeting ended with vote of thanks.
