Dear Sir,

I have received a email enquiry from chairman BIG BIRAC, IKP, Hyderabad to
organize a meeting of 3 hours post lunch on 26th Jan 2017 in our University to support BIG
BIRAC projects in India.

Kindly specify me the space to organize a networking meeting (with about 100
participants) on Biotechnology Ignition Grant (BIG) & other schemes like Grand Challenges
Exploration-India (GCE-I) at Hari Singh Gour University (Central University-Sagar) preferably on
26th Jan 2017 post lunch.

If you want to suggest an alternate date let it be between 23rd Jan 2017 to 27th Jan 2017.

This would be useful not only for the faculty and students of our University but also to
the innovators near around the University to become entrepreneurs using these grants. Please find
attached the email enquiry from Chairman BIG BIRAC.

Its also submitted that the meeting would be inaugurated by the gracious presence of Vice
Chancellor,, Registrar, Dean SAS,HOD /CFS .

All the faculty members and students of different schools of our University and nearby institutes shall
be invited and the funding to organize the meeting means refreshment would be provided by IKP,
BIG BIRAC team

Thank you

Expecting your speedy reply.

Yours truly

(sd)
