Subj.: Regarding Training in Ballistic Division, Kaushal Kumar Kushwaha, for one month from July.

Dear Sir,

It is my pleasure to introduce Mr. Kaushal Kumar Kushwaha the student from M.Sc. Forensic Science (2016-18). He joined the Department of Criminology and Forensic Science at Dr. Harisingh Gour Vishwavidhyalaya, Sagar (M.P.) in the year of 2016 for pursuing his post graduation.

He is known to me since last two years in my official capacity of head. Besides, I have also taught him Crime Scene Investigation, Forensic Medicine, Forensic toxicology as well as Chromatographic Techniques, and he also gained ballistic knowledge through curriculum, and have found him to be student endowed with strong knowledge and apply the concept to the field. He has succeeded in learning with ease many challenging concepts as well.

As a part of our curriculum student are supposed to have an exposure toward the functioning of Forensic Science Laboratory, I would be highly obliged if you could kindly permit him to carry out training program at ballistic section of your esteemed laboratory. I am fully confident that he is ideally fit for training at your central forensic science laboratory (CBI) Delhi and will prove themselves worthy of requirement that are expected from your institution.

He will abide with the term and condition laid down for training of student by your CFSL from time to time.

Thanking You.

Yours sincerely,

Devasish Bose
