Sub.: Regarding Training in DNA Division, Shivangi Gupta, for one month from July.

Dear Sir,

It is my pleasure to introduce Ms. Shivangi Gupta the student from M.Sc. Forensic Science (2016-18). She joined the Department of Criminology and Forensic Science at Dr. Harisingh Gour Vishwavidhyalaya, Sagar (M.P.) in the year of 2016 for pursuing her post graduation.

She is known to me since last two years in my official capacity of head. Besides, I have also taught her Crime Scene Investigation, Forensic Medicine, Forensic toxicology as well as Chromatographic Techniques, and she also gained DNA, biology and serology knowledge through curriculum, and have found her to be student endowed with strong knowledge and apply the concept to the field. She has succeeded in learning with ease many challenging concepts as well.

As a part of our curriculum student are supposed to have an exposure toward the functioning of Forensic Science Laboratory, I would be highly obliged if you could kindly permit her to carry out training program at DNA section of your esteemed laboratory. I am fully confident that she is ideally fit for training at your central forensic science laboratory (CBI) Delhi and will prove themselves worthy of requirement that are expected from your institution.

She will abide with the term and condition laid down for training of student by your CFSL from time to time.

Thanking You.

Yours sincerely,

Received
Shivangi
