Subject: "Training for M.Sc. Forensic Science Students."

Respected Madam,

It is my pleasure to introduce students of M.Sc. Forensic Science (2018-2020). They joined the department of Criminology and Forensic Science at Dr. Harisingh Gour Vishwavidyalaya, Sagar, M.P. in the year 2018 to pursue their post-graduation in Forensic Science.

I personally know these students for the last one year in my capacity as HOD. Besides, I have also taught them various subjects in forensic science and have found them to be student endowed with a strong knowledge and apply the concepts of the field. They have succeeded with many challenging concepts as well as a part of curriculum students are given exposure towards functioning of Forensic Science Laboratory. I would be highly obliged if you could kindly permit them (list enclosed) to carry out their 20 days training (31May2019 -18 May2019) at different sections of your laboratory especially toxicology, questioned documents, ballistic division.

I am fully confident that these students are ideally fit for training in your Laboratory, CFSL KOLKATA and will prove themselves worth enough as per the expectation & requirements of your institution.

Overall I strongly recommend these students for hands on training at different sections of your laboratory. Please allow them for the same.

Thanking You.

Yours Sincerely,

Devasish Bose
