Subject: Internship for forensic science students.

Respected Sir,

It is my pleasure that Ms. Madarapu Sahithi student of M.Sc. Forensic Science (2018-2020). She joined the department of Criminology and Forensic Science at Dr. Harisingh Gour Vishwavidyalaya, Sagar, M.P. in the year 2018 for pursuing his post-graduation in Forensic Science.

I personally know the student for the last one years in my capacity as HOD. Besides, I have also taught her various subjects in forensic science and have found him to be student endowed with a strong knowledge and apply the concepts of the field. She has succeeded with many challenging concepts as well as a part of curriculum students are given exposure towards functioning of Forensic Science Laboratory. I would be highly obliged if you could kindly permit her to carry out his one month training (1 June 2019 to 30 June) programme at chemistry section of your laboratory.

I am fully confident that the student is ideally fit for training in your Laboratory, and will prove himself worth enough as per the expectation & requirements from your institution.

Overall I strongly recommend Ms. Madarapu Sahithi for hands on training at different section of your laboratory. Please allow him for the same.

Thanking You.

Yours Sincerely,

(Devasish Bose)
