Subject: Training for M.Sc. Forensic Science Students.

Respected Sir,

It is my pleasure to introduce Mr. Lakshdeep student of M.Sc. Forensic Science (2018-2020). He joined the department of Criminology and Forensic Science at Dr. Harisingh Gour Vishwavidyalaya, Sagar, M.P. in the year 2018 for pursuing his post-graduation in Forensic Science.

I personally know the student for the last one years in my capacity as HOD. Besides, I have also taught him various subjects in forensic science and have found him to be student endowed with a strong knowledge and apply the concepts of the field. He has succeeded with many challenging concepts as well as a part of curriculum students are given exposure towards functioning of Forensic Science Laboratory. I would be highly obliged if you could kindly permit him to carry out his one month training (1 June 2019 to 30 June) programme at different sections of your laboratory especially Ballistics.

I am fully confident that the student is ideally fit for training in your Laboratory, and will prove himself worth enough as per the expectation & requirements from your institution.

Overall I strongly recommend Mr. Lakshdeep for hands on training at different section of your laboratory. Please allow him for the same.

Thanking You.

Yours Sincerely,

(Devasish Bose)
