DECLARATION

I hereby declare that the work presented in this dissertation is an original piece of work under the guidance of Dr. Vandana Vinayak (Deptt. of Criminology and Forensic science) and Dr. K B Joshi (Deptt. of Chemistry) entitled "**self assembly conjugation of diatom & peptide to construct nanosensors for detection of aromatic compounds**". Carried out by me at the Forensic Biochemistry Laboratory, Department of Criminology and Forensic Science, Dr. Harisingh Gour Central University, Sagar which is being submitted in partial fulfillment of the requirements for the award of Degree of Master of Science in Forensic Science. This is further certified that this project work has not been submitted in part or full for any other degree or diploma of this or any other University.
