alaya:

Vishwavidyalaya was initially established as 46 by Dr. Harisingh Gour, a great visionary, social . The university was upgraded into a Central edit of being the oldest university of M.P. with a ed with natural beauty. The university covers a n 5 Centers, 2 Regional Study Centers, and 36 ools and in all offering 110 course programmes at . The globally recognized Choice based Credit omented in the university since 2009.

in of the university came into existence initially as (B.T) College of Government Madhya Pradesh in ed as 'University College of Education'. After the to a Central University in 2009, this 'University s entities and amenities was transformed into 27 March 2011. Department of Education is ogrammes of under graduate, post graduate & . Sc. B.Ed. (Four Years Integrated Programme), artment of Education has received grant from Development of Government of India under the department as School of Education.

ury which is called a technological era. We have onal system of education. New technologies in the 'fairer sex' continues to be sidelined in some m. Discrimination based on gender is one of the and it affects boys and girls. Girls of over society study and avail education in the modern world. A whereas a female child is treated as liability to be a social construct that impacts attitudes, roles, terns of boys and girls, men and women in all been given to the importance of achieving gender ncerns in education have also been reflected in ed by apex national organization like National and Training (NCERT). In this regard curriculum 0 and 2005 have made specific efforts to focus education. The journey has been from concern to of efforts have been made on integrating gender tion, liberalization and expansion in information de it mandatory for revisiting gender concerns in is an important developmental agenda.

ty to bring Gender equality. Increase in literacy rate under but in Indian society gender equality is not yet l. Because the roles of gender are taken from the for inequality though women are educated. To orative thinking and rich discourse are essential. erate on various aspects related to gender, school
