Ph.: 0755 - 3257888, 3209129

Dear Sir/Madam,

It gives us immense pleasure to invite you to participate and share your rich experiences in a National Seminar on "Models of Teaching", to be organized on 28th January 2016.

ABOUT THE COLLEGE

College is situated in natural serene, free from pollution in village Amla near Ratibad Dist.-Bhopal. It is established by Maharana Pratap Social Research & Education Society, with an objective to provide quality education to young generation of the nation. The college is successfully creating competent professionals rich in knowledge and values.

FACILITIES

Hi-Tech Classrooms - The classrooms are equipped with LCD projectors, Video-conferencing facilities, E-podium with lights to provide students a high-tech learning environment with Wi-Fi connectivity.

Library - The College has a well-equipped library with more than 10,000 titles on various subjects. The college subscribes E-journals, National and International journals and magazines. The college is a regular subscriber of NCERT and NCTE journals/publications.

Laboratories - The College has well equipped psychology, language, science, social science and computer laboratories.

Auditorium/Seminar Hall - The College has a sound proof conference hall equipped with LCD projector, video conferencing facilities and all other modern amenities.

THEME OF SEMINAR - "MODELS OF TEACHING"

The history of teacher-researchers comes to us, in the form of models of teaching that enables us to construct vital environments for our students. Models help in guiding the teacher to select appropriate teaching techniques, strategies and methods for the effective utilization of the teaching situation and material for the realizing the objectives. In the words of **Bruce Joyce** "A model of teaching is a plan or pattern that can be used to shape curriculum, to design instructional materials and to guide instruction in the classroom and other settings."

Sub themes -

- ❑ Information-processing models.
- ❑ Social models.
- ❑ Personal models.
- ❑ Behavioural systems models.
- ❑ Importance of models in classroom teaching.
- ❑ Research on models of teaching.

"People are people. Similar and Different. Let's teach to create a link"

- Jim wolf
