Dear Prof. Vandana Soni,

This is regarding your request letter received on 12/11/2018 for the partial project work of your research scholar, Mr. Vikas Pandey, from Dept. of Pharma. Sciences, Doctor Hari Singh Gour University. Mr. Vikas has been permitted to work for labeling of his drug nanoparticles with ^{99m}Tc under supervision of Dr. Ashok Chandak. Cell line uptake studies will be carried out following completion of ^{99m}Tc labeling of the drug.

During his working period in RMC (15th March 2019 to 31st May 2019), it will be mandatory for him to follow strict radiation safety regulations and other rules of RMC.
