CERTIFICATE

This is to certify that **Ms. T N NITYA** has submitted her dissertation entitled *"Molecular docking based screening on a series of 4-aminopyridine derivatives as tyrosine kinase (EGFR) inhibitor: an approach to design anticancer agents"*, in partial fulfillment of the requirement for the degree of Master of Pharmacy to Dr. Harisingh Gour Vishwavidyalaya, Sagar with her truly and fully observed inferences during her work. She has completed her project under my supervision and her work is satisfactory.
