

## *Message form Chancellor*

Dr. Harisingh Gour Vishwavidyalaya, Sagar (M.P.) has a long list of Alumni who have proved themselves as an icon in different fields at national and international levels. The Alumni Association provides them a common platform to reconnect with the institution and the students. The Alumni Association is also a source of inspiration to its future alumni through conduction of an array of activities in the field of academics, sports and cultural events for inspiring our young talent. It also creates an environment of continuous learning and exchange of ideas between the alumni and the institution.

The Alumni Association helps in developing a bond between the alumni and the institution that will ensure a strong engagement of the Alumni with the institution. The new technological connect will provide them an opportunity to give back to their institution what they have learnt from here in form of support in the placement activities, industry academia collaborations and many more.

I congratulate the University administration in taking initiative to develop a website of Alumni Association of the University. It will help to connect the alumni of the University for Overall Development of their alma mater.

I hope that now the Alumni Association will prove a strong step towards committed overall development of the University.

*Prof. Balvantrai Shantilal Jani*
