(b) Regarding Dissertation in U.G. Under B.A. / B.Sc. VI Semester.

All the members agreed to continue as per MHRD & decision of Academic Council (including r.c. instruction) ~~except~~ except Dr. Rajesh Kumar Gokulam and Dr. Sonia Kaulhal.

On the basis of my experience of last session I disagree to give dissertation in lieu of a regular course. None of students were found serious to complete dissertation and maintain its gravity in UG (Under Graduation) level.

Raj
16/7/19

I also disagree to continue fieldwork as part of B.A. / B.Sc. VI Semester course-work. Paper as students are not able to learn important techniques related to anthropological fieldwork.
