School of Humanities & Social Science

Dr. Harisingh Gour Vishwavidyalaya
(A Central University)
Sagar
Madhya Pradesh - 470003

About The University:

Dr. Harisingh Gour Vishwavidyalaya, Sagar was founded at Sagar on 18 July, 1946 by the sole initiative and donation of Sir Dr. Harisingh Gour. He was the founder Vice Chancellor of this University and a legal Stalwart and also the first Vice Chancellor of Delhi University. Earlier it was known as University of Saugar and became a Central University by the Act of parliament on 15 January, 2009, located on the Vindhyaachal range of mountain. This University has a picturesque location and is the largest University in the Central region and has about 1500 acres of land. It is a modern Central University and has earned A+ grade from National Assessment Accreditation Council, Bangalore. It currently has 11 schools and 39 teaching departments which are well equipped. These school are School of Applied Sciences (SAS), School of Arts and Information Sciences (AIS), School of Biological Sciences (SBS), School of Commerce and Management (SCM), School of Engineering and Technology (EAT), School of Humanities and Social Sciences (HSS), School of Languages (SOL), School of Law (SAL), School of Educational Studies (SES), School of Mathematical and Physical Sciences (MPS), School of Chemical Sciences and Technology (SCT). In addition, this university also has institutions such as Educational Multimedia Research Centre (EMRC), Academic Staff College (ASC) known as Human Resource Development Center. It has a modern library, outdoor & indoor stadiums, auditorium, Sophisticated Instrumentation Laboratory (SIL), Department of Physical Education, Gyms, Hostels for research scholars, boys and girls. Bank and Post office, residential quarters for teachers and employees, and a hospital.

About the Department : – 18th July 1946

The Department of Economics in the University is involved in teaching Economics perspectives at the undergraduate and postgraduate levels along with facilitating for Ph.D. in this discipline. The Department aims to help students to bridge the gap between economic theory and applications in real life. Globally, the economic sector has been experiencing phenomenal growth and is witnessing dramatic and drastic changes with sophisticated operations, which has led to increased demand for specialized economic practitioners.

The UG and PG programs are developed to meet the increasing demand for specialists in Economics sought by public and private sector organizations. The Programme is a combination of economic theory, finance calculations, statistics applications, mathematical methods, and econometric applications with real-life examples. It imparts rigorous training in the area of statistics, mathematics and econometrics. This program helps the students to enhance their analytical skills, which will prepare them for a wide range of career opportunities and also research opportunities in the area of economics. The courses in the program are designed in consultation with renowned subject experts and stakeholders including students and alumni. The Economics programs involves developing students through interactive classes, seminars, guest talks by subject experts, projects, events, and training through workshops.

The department faculty regularly organizes/participates/delivers guest talks in seminars, conferences, training programs, and workshops at national and international levels. Further faculty members are actively involved in research in the fields of Agricultural Economics, Industrial Economics, Development Studies, Labour, Employment, Poverty, Inclusive Development, Education, Health and Environmental Economics.

Research Profile:

As the University is reputed and well known, the Department of Economics also is endeavouring in that direction through syllabus revision, research publications and participation in research related activities and programmes. The areas of research specialisations are fixed and predetermined, as a result every teaching faculty of the department endeavours for carrying out research in the areas of research specialisation. They undertake research in the areas of their research specialisation and get them published in UGC Care listed journals, Scopus indexed journals, Refereed journals, edited books and in the form of separate independent reference books. Currently one of our faculty, Dr Keshav Tekam and Dr. Abhilasha Durgbanshi is working on a major research project funded worth of Rs. 13.34 lakh sponsored by ICSSR, New Delhi titled “The Economy Behind the Production and Consumption of Alcohol by Tribal People of Madhya Pradesh” (Ref. :F.No. 02/131/2022-23/ST/TS/RP, Dated 01.09.2023).
