From the Desk of Vice-Chancellor

I am delighted to present our University to you and welcome you to be involved in the progress of the university as its stakeholders. I also take this opportunity to invite all those who aspire for true learning and quality education to Doctor Harisingh Gour Vishwavidyalaya, Sagar, a seat of learning established as a University in Madhya Pradesh in 1946 with a campus spread over about 1300 acres. It was upgraded to a Central University on 15th January 2009 and was accredited 'A+' Grade (3.38 score) by NAAC in the Fourth cycle.

The University offers multidisciplinary academic programs at undergraduate, postgraduate and doctoral levels through its 11 Schools with sound infrastructure and innovative approach for teaching. The University has well equipped laboratories with modern and sophisticated instruments to encourage quality research. Most of the Departments have project funds from UGC, DST, ICMR, MPCST and other national agencies. Some are also recognized centers of the UGC and DST under the DRS, PURSE and FIST programmes. Under GIAN scheme, eminent academicians are invited from abroad to acquaint the students with the latest developments in their respective fields. The implementation of CBCS (Choice Based Credit System) enables the students to have access to the latest pattern of teaching and learning. The Department of Physical Education and the Department of Fine Arts & Performing Arts provide hands-on sports training activities and cultural activities respectively to the students. For an all-round development of students, sports and cultural activities are assigned to a specific time schedule in the academic calendar. Students regularly represent the University at national level competitions and win laurels.

Besides the departmental libraries, the University has a Central Library with approximately four lakh books, e-books and e-journals. Under the INFLIBNET and DELNET programmes, the students and faculty can access valuable sources of literature. The University campus is Wi-Fi enabled.

There are separate hostels within the campus for boys and girls pursuing various programmes upto doctoral level to provide a safe and congenial Gurukul-like environment of learning. In addition, facilities like stadium, gymnasiums, sports complex, playgrounds and open-air theatre are also available to cater to the extra-curricular requirements of the students.

The University has an adequate number of competent, dedicated and trained faculty members to enhance the knowledge of the students. The courses are well designed and suited to the present day demands. The faculty is involved in developing innovative methods of teaching and learning with the help of an in-campus Educational Multi-Media Research Centre (EMMRC). Under the aegis of the UGC, New Delhi, the Malaviya Mission Teacher Training Center (Formerly UGC-Human Resource Development Centre) conducts orientation and refresher programs for the faculty. Recently, a Day care centre is established in the university campus.

To create high-quality academic ambience and to motivate and enthuse our students towards perfection in their academic endeavors, we offer meticulously designed and diverse curricula as well as optional courses at graduate, postgraduate and doctorate levels. Besides, the University has an Institute of Distance Education (IDE) enabling our students to pursue PG Diploma courses with regular PG/Ph.D. programmes to enhance their employability. B.Tech. programmes are also being offered under Institute of Engineering and Technology.

The University is proud of the numerous academicians, administrators, judges, philosophers, writers, poets, critics and artists who have brought laurels to their Alma Mater in the last seven decades.

We are committed to promote academic excellence and socially relevant education in consonance with the goal to achieve contemporary standards of learning. We look for brilliant and hardworking students for fulfilling our objectives of attaining heights of excellence in the field of knowledge.

I invite you to join hands in Bharat Nation building.

Best wishes!

(Prof. Neelima Gupta)
Vice-Chancellor

University at a Glance

The founder and mentor Sir Doctor Harisingh Gour desired to establish an educational institution to provide the opportunity of higher learning for a rural and deprived population of Central India. He was inspired by Cambridge and Oxford Universities as the models. The University of Saugar, later renamed as Doctor Harisingh Gour Vishwavidyalaya in February 1983, was established on July 18, 1946 by him out of his lifelong earnings. The University was the sixteenth university in the country and the first in the State of Madhya Pradesh at that time. The University was upgraded as Central University on January 15, 2009, by the Central Universities Act, 2009. The President of India is the Visitor of the University.

The University campus is spread over an area of about 1300 acres, surrounded by lush green forests, and is situated in the natural and eco-friendly environment. The University provides a congenial academic atmosphere to the learners to nurture their potential for excellence. There are **35** independent teaching departments in the University, some of them are recognized centers of the UGC and DST under the DRS, PURSE and FIST programmes. There are four hostels for boys and four for girls. Residential facilities are available for teachers and officials of the University. Our first Prime Minister Pt. Jawaharlal Nehru laid the 'foundation stone' of the University Library in 1952 which is named after him.

The University has adopted 'School of Study' system for promoting intra and inter school academic programmes. Eleven schools were established under the new system which offers courses ranging from Physical Sciences to Applied Sciences and Technology, Law, Business Management, Applied Geology, Pharmaceutical Sciences, Humanities, Arts & Information Science, Social Sciences, and Music & Performing Arts.

The University has well qualified and experienced faculties (www.dhsgsu.irins.org) who are continuously engaged in providing quality teaching and research to the knowledge-seeking young scholars. Some of the faculties have the experience of working in Internationally renowned educational institutes.

The Banking, Postal, Health & Sanitation and Cafeteria services are available at the University premises. There is an auditorium for indoor games and a playground for outdoor games as well as a well-equipped and furnished *Golden Jubilee Hall* with a seating capacity of 750 to facilitate the cultural and academic activities.

The University has various centers for developmental activities such as UGC- Malaviya Mission Teacher Training Center (Formerly UGC-Human Resource Development Centre), Center for Advance Research (CAR), Institute of Distance Education, Study centre of Indira Gandhi National Open University (IGNOU), Educational Multi-Media Research Centre (EMMRC), Teaching and Learning Centre (TLC), Remedial Coaching centre, Community College, Population Research Centre (PRC) of Ministry of Health and Family Welfare and Manuscript logy Research Centre of the Ministry of Culture, Government of India.

Academic Departments, Hostels and Libraries are well equipped with Wi-Fi through National Knowledge Network (NKN) and e-resources are accessible through Wi-Fi. The Integrated University Management Systems (IUMS) and Learning Management Systems (LMS) are available for providing all the possible online facilities.

About National Testing Agency (NTA)

The Ministry of Education (MoE), Government of India (GoI) has established the National Testing Agency (NTA) as an independent, autonomous, and self-sustained premier testing organization under the Societies Registration Act, 1860, for conducting efficient, transparent and international standards tests in order to assess the competency of candidates for admissions to premier higher education institutions. The National Testing Agency (NTA) has been assigned the task of conducting the Common University Entrance Test (CUET) for Postgraduate Programmes (PG) and selected Undergraduate programmes (UG) (including B.Lib.I.Sc., LL.B. and B.J.) for Academic Session 2024-25 for the Central Universities.

The role of NTA is confined to registration of candidates for the exam, admitting them to the exam, conducting the exam in the prescribed mode, display of answer keys and inviting challenges, finalizing the answer keys, processing the results and handing over the results to Dr. Harisingh Gour Vishwavidyalaya, Sagar (MP).

The candidate seeking admission in Postgraduate programme and selected Undergraduate programmes (B.Lib.I.Sc., LL.B. and B.J.) must register and apply through the online portal of CUET- PG (<https://pgcuetsamarth.ac.in/>)
