THE PHILOSOPHY DEPARTMENT: EXPLORING THE DEPTHS OF THOUGHT

Welcome to the Department of Philosophy, where we embark on a journey of intellectual exploration, critical inquiry, and deep reflection. Here, we delve into the fundamental questions that have intrigued humanity for centuries, about the nature of reality, knowledge, normative principles, language and logical structure of thoughts. Our department offers a rich and diverse curriculum designed to challenge and inspire students at every level. Through engaging lectures, lively discussions, and thought-provoking seminars, students develop essential skills such as critical thinking, argumentation, and analytical reasoning. In addition to course work, students get an opportunity to engage in original research and independent study under the guidance of faculty mentors. Join us for an enjoyable exploration of the complexities of existence, grapple with the mysteries of the universe, and seek to understand the nature of truth, knowledge and reality from both Indian as well as Western perspectives.
