About the Department

Department of Vedic Studies is a newly established department under the School of Mathematical & Physical Sciences at Dr. Harisingh Gour Vishwavidyalaya.

About the Workshop

The National Workshop on Vedic Mathematics 2025 aims to bring together scholars, educators, and students to explore the profound mathematical wisdom embedded in ancient Indian texts. The workshop will highlight the theoretical and practical aspects of Vedic Mathematics, fostering discussions on its integration into modern academic curricula.

Scope:

- Conduct in-depth explorations of Vedic Mathematics' sutras and their derivations.
- Analyze the interdisciplinary applications of Vedic techniques in science, engineering, and computational domains
- Examine the pedagogical approaches for integrating Vedic Mathematics into formal education systems.
