Sub: Invitation for ATREE@25

Dear Dr. Khan,

ATREE turns 25 this year!

A two-day event is planned under the broad theme *Life and Lives* to highlight the work done at ATREE since its inception. ATREE's growth, recognition and impact over the last quarter of a century will be celebrated at the JN Tata Auditorium, Indian Institute of Science, Bengaluru on 18th and 19th August 2022. The programme will be a combination of technical talks by eminent speakers, stimulating discussions, cafe-style debates, fascinating films and brain storming sessions.

We earnestly invite you to join for the discussions and in deliberating on the way forward especially with respect to the future of Sustainability. Due to paucity of funds, we will not be able to cover your travel. However, we shall take care of the stay in Bangalore.

We look forward to seeing you at the event. [Click here](#) for complete program details.

With regards

Ravikanth G
Acting Director
