Curriculum Framework based on National Education Policy-2020

NEP-2020 has conceptualized the idea to develop well rounded competent individuals for making the nation a self-reliant and global leader. In the same spirit, we at Department of Political science and Public Administration have developed a curriculum framework to encompass the goals of NEP 2020. To this end, we have incorporated Indian knowledge resources, choice of subject/disciplines of study, creating academic pathways having constructive combinations of disciplines for study with multiple entry and exit points as well as focus on **experiential learning** for students by introducing **multidisciplinary and skill enhancement courses** and actual hands on training in the recent and trending aspects of the area concern.
