(g) Amphitheatre	01

1. Language Laboratory

The 30 console Multi-Media Language Laboratory of the Department uses WordsWorth English Language lab software. It is highly helpful in developing English language proficiency among the learners of English as a second language.

It combines both Instructor-led Training (ILT) and Computer Based Training (CBT) to facilitate the language learning process. The programme consists of 3 progressive levels and has been structured to develop pronunciation, vocabulary and semantics of speech. Each study level helps in developing essential skills (LSRW - Listening, Speaking, and Reading & Writing) from elementary to the advanced level. It assists the students in learning English and developing communication skills.

2. Swaminathan Memorial Seminar Hall

The Department has a well-furnished fully equipped adequately spacious Seminar Hall with a sitting capacity of 150 students at a time. The Hall is well equipped with all facilities like a projector, audio-visual, aids and amplifiers etc. The Department keeps

on holding seminars, invited lectures and various academic and cultural activities in the hall to facilitate learning and research. The Department started the Swaminathan Memorial Lecture series in the year 2015. In it, renowned academicians and intellectuals in different spheres are invited every year for addressing the students and the teaching staff on various research-oriented topics with a view to widening the horizon of knowledge of the students and the faculty every year. Cultural competitions are also organized in the hall regularly to give exposure to the talents and potentials of the students and ensure their all-around development.

3. Library and Reading Room-

The Department has a small library cum reading room. The library has approximately 250 books and in the coming years, more books and journals are to be added keeping the requirements of the students of all levels of study.

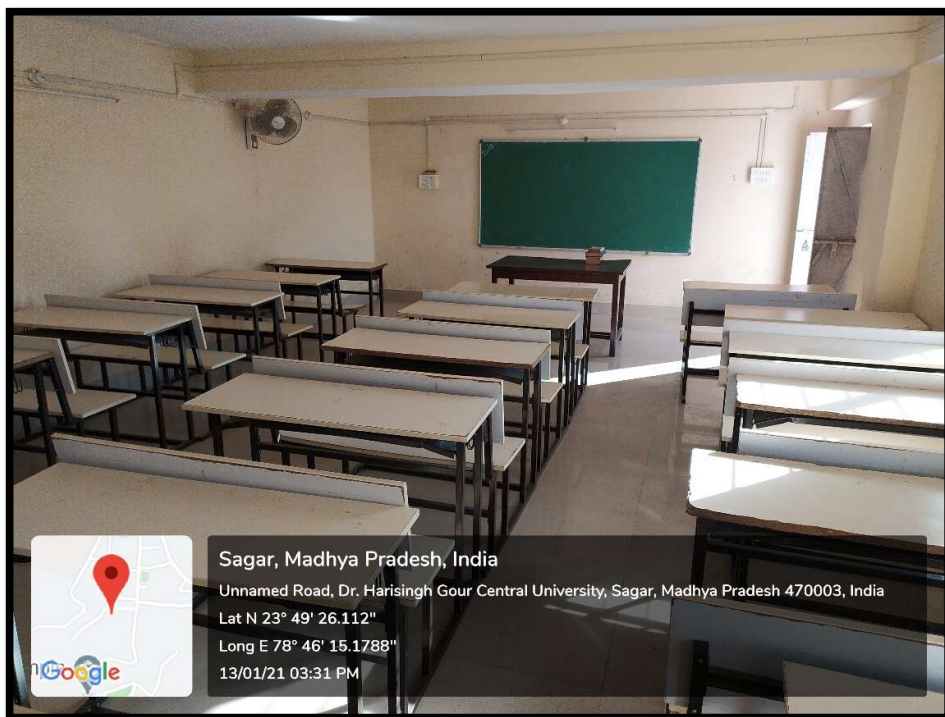

The library also has 6 computers with internet facility on them to help students with the day to day studies.
