Business Opportunities of Paper Bags

Objectives :

- i) Paper bags are biodegradable and recyclable, that's why they are eco-friendly.
- ii) Production cost of paper bag as compared to plastic bag or any other is less, which helps in earning profit.

Introduction

Organic farming has reached heights in its importance and this idea has paved way for paper bags too. In both the businesses one common factor is noticed, and it is none other than the presence of eco-friendliness. Paper bags are now being wanted by all the companies to pack their
