6. Gender

These groups are presented their small field report on these themes and suggested the problems and issues related to these themes for future research.

Evaluation by the participants:

Detail summery of the evaluation by the participants is given in **Annexure-IV & V.**

Annexure-IV: Graphic representation of the feedback by the participants on resource person.

Annexure-V: Feedback by the participants on Course content and relevance.

Course Director's Suggestions/ Recommendations:

The 10days ICSSR Research Methodology Course is having a significant impact on the development of skill among the young research scholars towards a fruitful knowledge production in social science research. As a course Director for this Research Methodology course in the Department of Sociology and Social Work, Dr. Harisingh Gour Vishwavidyalaya, Sagar (M.P.), I have enjoyed a lot with true spirit if academic discussion on social science research in contemporary time by the resource persons and the participants. I am thankful to ICSSR for motivating me and faculty members to organize such kinds of valuable course and also hope that in future I can able organize such type of course again.
