A Fifteen Days **Refresher Course** on “**Current Trends in Life Sciences**” Organized by **HRDC-UGC**, coordinated by **Prof. Versha Sharma & Dr. Payal Mahobiya** with the support of research scholars **Neelam, Shashank** and **Gaytri Rai**, Department of Zoology, Dr. H.S. Gour Vishwavidyalaya, Sagar, (M.P.), 470003 from **08.03.2021 to 22.03.2021** with a motto to Enable the teachers to keep abreast with the latest developments in their field of specialization and also equip them with necessary functional skills. Motivate the teachers to accept the challenges of quality teaching and take up research projects in their disciplines. Facilitate the application of new knowledge in their discipline for industrial and social development. Provide exposure to emerging cross discipline advanced studies for taking up interdisciplinary research.

Forty two participants had registered for the Programme. Around 50 Resource Persons were invited from various Universities and Research Institutes. Resource Persons were identified on the basis of UGC guidelines, invited the Resource Persons with consideration of the interdisciplinary nature of the course and multidiscipline participants. They had delivered very informative and knowledgeable information with all the participants. They share their information regarding methods used in research, how to present data, how to write a research article or project proposals etc. In addition to the Lectures, The participants were asked to display teaching skills during programme for seven minutes under the supervision of Co-Ordinators and resource persons. Participants also submitted their assignments. A test, based on topics covered in the sessions, was conducted for all the participants. All the sessions were designed around the theme to empower and enrich the skills of participants. At the end of the course, participants were evaluated and graded accordingly. After completion the certificates are distributed to the learners and their feedback about the program and resources persons were taken.
