

BIODIVERSITY INSTITUTE OF ONTARIO • CANADIAN CENTRE FOR DNA BARCODING
INTERNATIONAL BARCODE OF LIFE PROJECT

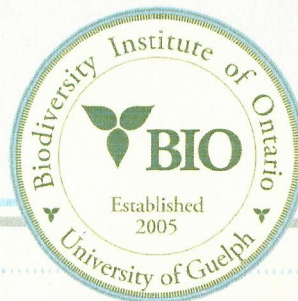

RESEARCH TRAINING
CERTIFICATE

This is to certify that

Shweta Yadav

Has successfully completed the online training "Introduction to DNA Barcoding."

Training took place from February 8th to April 1st, 2016 and was offered through Open Learning and Educational Support and the Biodiversity Institute of Ontario, University of Guelph. The program provides students with a basic understanding of DNA-based approaches for species identification and discovery.
