Shweta YADAV, Ph.D
Associate Professor in Zoology
School of Biological Sciences
Dr H S Gour Central University
Sagar 470003, MP
India

Participation and Attendance Certificate

This is certified that Shweta Yadav participated in 7th **International Oligochaeta Taxonomy Meeting (7th IOTM)** in Biological Station of Paimpont (Rennes University, France) from 7th to 17 November, 2016. She arrived on 6th November, 2016 at the day of registration at Biological Station of Paimpont. She presented paper (oral) titled ***"Exploring earthworms of Central India (Sagar) using DNA barcodes"*** during the Scientific Conference (7-10 November, 2016) and also contributed two posters titled ***"Earthworms as Bioremediating agent for nanoparticles"*** and ***"Role of Immuno-competent cells of earthworms in Bioremediation"***. She also attended Earthworm Taxonomy Workshop (11-13 November, 2016) and participated in Earthworm hunting and collection (14-17 November, 2017).

The registration fee 889.47 Euro was paid by Shweta Yadav through online transaction to attend meeting and accommodation (6th -13 November, 2016). The accommodation bills for hunting and collection (14 November-17 November, 2017) were paid separately at the place of stay.

Paimpont, 17th of November, 2016
