Annexure 2: HEALTH AND SAFETY POLICY

1. Introduction

Randstad recognizes people as its most important asset and is committed to ensuring safe and healthy work environment for all its employees and people visiting its premises. Randstad's Corporate Policy necessitates a specific Health & Safety Policy for its outsourced employees. Given that our EWs are redeployed to various client sites, where each client's Health & Safety Policy would be different, it is our commitment to ensure that our EWs have safe working conditions, where risks if any, are well managed and our clients treat all our EWs as they would treat their direct employees in matters of health & safety.

This document is to be read and thoroughly understood by all Randstad EWs at the time of joining an assignment; it requires them to be aware of the policy and our recommendations for safe working practices.

We assure that we will not depute an EW to a client site, which causes an Occupational Hazard or risk to Health. We will only work with clients who are aligned to our Health & Safety Policy for EWs. Additionally, we advise our EWs and employees to bring to our notice, situations that an EW might encounter and could be a potential health & safety issue.

We also ask our EWs not to endanger themselves or their colleagues at work by violating any safety rules, and to comply with work place instructions besides ensuring that they wear Personal Protective Equipment where advised. Our EWs are asked not to interfere with or misuse anything provided for their safety, health and welfare. This is a condition of employment with Randstad. Management reviews will be held each year to review implementation of this policy and draw upon further improvements for the following year.
