

Workshop on the “Importance of Soft Skills in the life and Group Discussion”

Technical skills are no longer enough to compete in this highly competitive global work environment. Soft skills are of paramount importance. Soft Skills is a very popular term nowadays, used to indicate personal transversal competences such as social aptitudes, language and communication capability, friendliness and ability of working in team and other personality traits that characterize relationships between people. Soft Skills are strategic to be successful in personal and professional life then is essential for the students when they try to obtain any kind of job. The workshop took place from 11.00 AM on 28/08/2019 in the Conference Hall of the Department of Business Management of Dr. Harisingh Gour Central University, Sagar (Madhya Pradesh). It was highly interactive session between the students and trainer Mr. Shrikant Rayadurgam (Sapling Adventure, Indore, M.P) in which various activities enhancing the soft skills of the students carried out such as lecture on personality development and interview skills, some students were given chance to participate in the role play and debate to boost their confidence level and presentation skills and at last students were provided with the lecture on the communication skills. The main aim was to develop confidence among the students and improve their communication skills. This session was taken for students to make them understand the importance of Soft Skills and develop stage daring as well. It was also founded that students also enjoyed session because of their contribution and their participation, this session became more valuable and the teachings given to them were effectively grasped. The last part was group discussion which was a very challenging task to the trainer to carry out because students in the starting were not willing to take part but with the efforts made this also carried out smoothly and enjoyed by the students too. More than 80 students from Bachelor of Business Administration and Masters of Business Administration jointly participated in this session. And at last, the vote of thanks was provided to the trainer of the session.
